About John Evans, Chief Executive Officer, Subsea 7:

John Evans has been Chief Executive Officer of Subsea 7 since January 2020. He has over 30 years of experience in the oil and gas services industry, primarily in the SURF and offshore engineering and construction sectors. He started his career in 1986, working with Brown & Root and gained a successful record in general management, commercial and operational roles in the offshore oil and gas industry. Prior to his current appointment, from July 2005, John held the position of Chief Operating Officer for Subsea 7. John has a Bachelor of Engineering degree in Mechanical Engineering from Cardiff University, is a Chartered Mechanical and Marine Engineer and a Chartered Director.
